SIGNATURE HOMES WINDSOR & JULIE BONDY

Everyone's Signature is Unique!

Concierge service! Jovan Vujovic, Owner of Signature Homes and his wife, Realtor Julie Bondy, want to build your unique, custom dream home while providing you affordable luxury with attention to detail. Deeply committed to treating everyone with honesty and respect, they exceed goals by constantly going above and beyond for their clients. So dream it, because this husband and wife team can build it!

"We're currently building in LaSalle, Windsor, Kingsville and we also have a new project that we launched for spring 2019: EdgeWater Estates in East Windsor just off Banwell," explains Julie Bondy.

After achieving numerous successes, Julie, with her energy and enthusiasm, continues to combine knowledge and experience to establish the best connection with her clients. Julie has the expertise and experience to guarantee a prosperous, and most of all, successful real estate transaction in both Re-Sale Homes and New Builds. As a realtor for Manor Realty for 16 years, she is year after year Manor's Top Saleswoman. Earning recognition for a Record-Breaking Sales Year in 2018, she is also the Exclusive Sales Representative for Signature Homes.

Jovan Vujovic started Signature Homes Windsor in 2011 following his previous career as an engineer.

"We build homes in sub division properties and also a big part of our business is custom builds on clients' own properties," shares Jovan.

"What sets us apart is the personal concierge service clients get from working directly with Jovan on their build," Julie explains.

Paying attention to each detail, the duo has quality and finishes at competitive prices. They provide excellent finishes throughout each client's build and they can accommodate any custom requests to give the client's home the finishing unique touches they're dreaming of.

"We just launched a new, interactive website," explains Jovan. "Clients can go on our website to see our past builds and the work we've done at www.signaturehomeswindsor.com."

"The Gallery of photos is fantastic for ideas for designing the décor of your new home," adds Julie.

This husband and wife team love to give back to the community. Julie and Jovan have both worked on the Give your Heart to Autism Gala Committee since 2011, and Julie in particular was awarded the City of Windsor Volunteer of the Year Award in 2014.

With Jovan and Julie, their service and dedication doesn't stop when the build is complete. Their after-sales service is a top priority to ensure clients are 100 percent thrilled with their build and purchase. Making the process seamless and enjoyable, Signature Homes Windsor and Julie Bondy are the team to choose.
